Upon the Hirer going into liquidation whether voluntary or compulsory except for the purpose of reconstruction or amalgamation or suffers a receiver to be appointed of any of its assets.

Upon any execution or distress being levied upon the Hirer (and not satisfied within 7 days and in any such case) the Owner may retake possession of the Machine and for this purpose may enter upon the premises where the machine is installed and such determination by the Owner shall not affect the right to recover any money due at the time of such determination or to recover damages for any breach of this agreement before such determination.

The Owner shall in no circumstances be liable for any failure or defective working of the Equipment due to any fault failure or change in the electricity supply service.

In no circumstances shall the Owner be liable for any loss of profit, business or production or any similar loss or damage whether direct, indirect or consequential howsoever caused.

The Owner has the right at any time at its entire discretion to substitute equivalent Equipment for the Equipment set out in the Schedule to this Contract. In the event of such substitution the terms and Conditions of this Contract shall apply fully to the substituted Equipment as if it were the Equipment originally let to the Hirer.

Any substitute Equipment shall remain the property of the Owner at all times. The Owner's right hereunder shall not be affected by granting any time or indulgence to the Hirer.

All charges under this contract are subject to Value Added Tax, and the Company will issue V.A.T. Invoices to the Hirer for all rents and other charges payable under this contract.

At the request and expense of the Hirer to move the equipment to alternative premises the equipment does not thereby pass out of the possession or control of the Hirer.

The terms of this Contract shall be for the minimum period of hire specified in the Rental Agreement commencing from the date of Installation (the Original Term) and shall continue thereafter in accordance with its terms subject to the right of either party to give to the other one months notice in writing to expire on or after the end of the Original Term.

The rent payable by the Hirer to the Owner for the Machine under the initial contract is inclusive of delivery, crange, installation, maintenance and breakdown call out (but excludes any call out costs). The Hirer is responsible for the disconnection and return transport cost incurred by the Owner to return the Machine on, or after the end of the Original Term; the cost payable under this contract is dependant upon the Machine location.

The Hirer his servants or agents are responsible for the disconnection of any air system or similar pieces of equipment that has been connected to the Owners' Machine by others and must be undertaken prior to the agreed termination of the hire and arrival on site. Any return visits by the Owner due to the aforementioned not being complete will incur further costs payable under this contract to the Owner by the Hirer and would be dependant upon the Machine location.

The Hirer may prematurely terminate this Contract of the hiring hereunder at any time on giving notice in writing to the Company and on payment of all monies then due together with a sum equal to the total of all future instalments of rent which would have been payable under this Contract had it continued until the end of the Original Term. The said sum shall be payable as liquidated damages and not by way of penalty, it being agreed the loss the Company would suffer. The Hirer is responsible for the disconnection and return transport cost incurred by the Owner this sum shall be payable by the Hirer to the Owner against their costs incurred by the Owner and is also not by way of penalty, it being agreed the loss the Company would suffer.

Any time or other indulgence granted by the Owner to the Hirer shall not affect the enforcement of the strict rights of the Owner hereunder.

Use of the word 'Owner' within this agreement does not necessarily imply that the owner has legal title in the goods.

This document must be signed by the Hirer and returned to the Owner prior to the agreed date of delivery and installation and/or the start date of contract hire. Any delay in the Owner receiving this document could delay the agreed delivery and installation date of the equipment and/or the start date of the contract hire.

In Witness whereof the parties hereto have set their hands the day and year shown overleaf. REV 00 03/11/2017.
